# Cybersecurity – November 2017

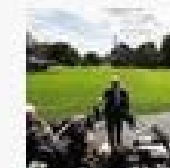

## Who disabled Trump's personal account? A Twitter employee on their last day

Charles Ventura, USA TODAY Published 7:41 p.m. ET Nov. 2, 2017 | Updated 8:35 a.m. ET Nov. 3, 2017

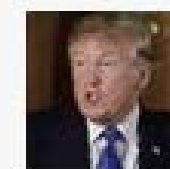

An internal investigation by Twitter reveals that a rogue employee took down Donald Trump's official account for about 11 minutes on their last day with the company. Ryan Brooks reports. Video provided by Reuters Newslook
